Customer Documentation

Welcome to the Engineering Technology Services WiKi. Here you can find documentation related to using and accessing College of Engineering Technology resources. You will also find blog posts and articles about upcoming outages, changes, and maintenance windows.

Covid-19 Resources

Engineering Technology Services has been diligently working with College leadership to help provide robust remote access to resources in support of Keep Teaching, Keep Learning, and Keep Working initiatives. This page is constantly being updated.

Upcoming Changes:

- **February 10, 2020** – You have the option to increase security on Office 365 by adding Duo. On Friday, May 22, 2020 Duo becomes mandatory.
- **May 22, 2020** - The Outlook client and Outlook mobile client will be the only clients usable for checking email.
